Re: Pekin Wal-Mart Great Clips, Pekin, IL

Dear Don:

We are pleased to announce that another Great Clips salon is now open in Pekin, IL.

Thank you for all of your help and support as we worked through the lease negotiations. We know that our success in all of our markets is because of the support and opportunities that brokers, developers and landlords like you have given to us.

Our relationships and being a good tenant are important. We hope that our Real Estate Manager and all of the individuals that you worked with at Great Clips were responsive and professional in the lease process. Your giving Great Clips the first call and being a preferred hair care tenant for your next development is appreciated.

We look forward to working with you as we continue to grow the Great Clips brand.

Very truly yours,

Raymond L. Barton
Chief Executive Officer
